

PG160 Assignment Dropbox Basics

Step One

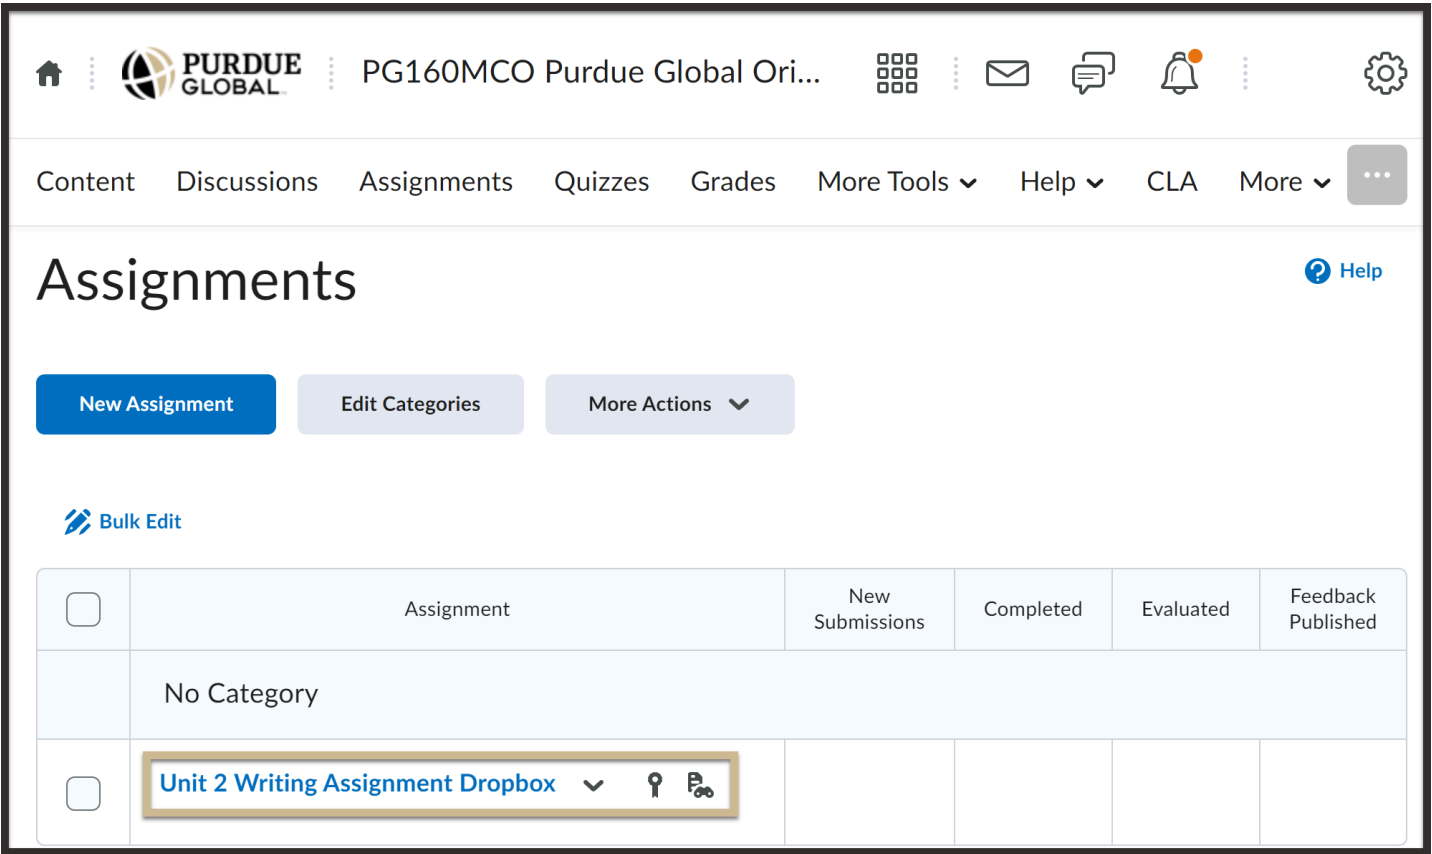

To access the Assignment Dropbox, select "Assignments" on the navigation bar at the top of your screen.

Step Two

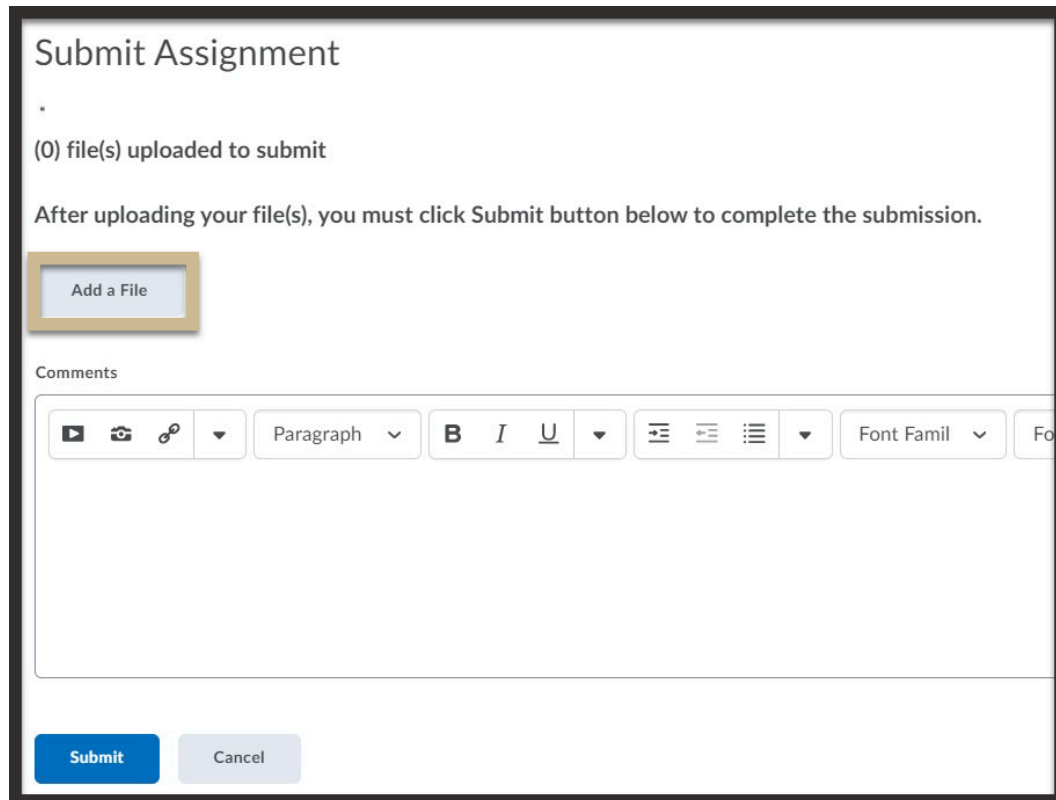

Select "Assignment Dropbox" for the unit you would like to complete.

Note: You should have completed and saved your assignment on your computer.

Step Three

Select "Add a File."

Submit Assignment

*

(0) file(s) uploaded to submit

After uploading your file(s), you must click Submit button below to complete the submission.

Add a File

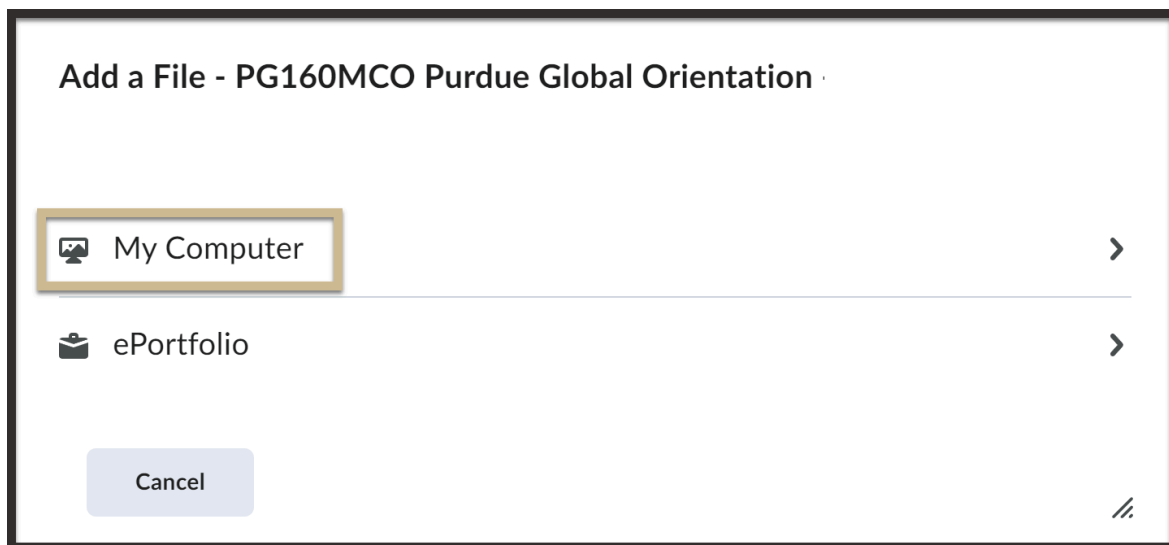

Comments

Rich text editor toolbar: Video, Image, Link, Paragraph, Bold, Italic, Underline, Bulleted List, Numbered List, Font Family, Font Color.

Submit **Cancel**

Step Four

Choose "My Computer" to access the file you want to submit.

Add a File - PG160MCO Purdue Global Orientation

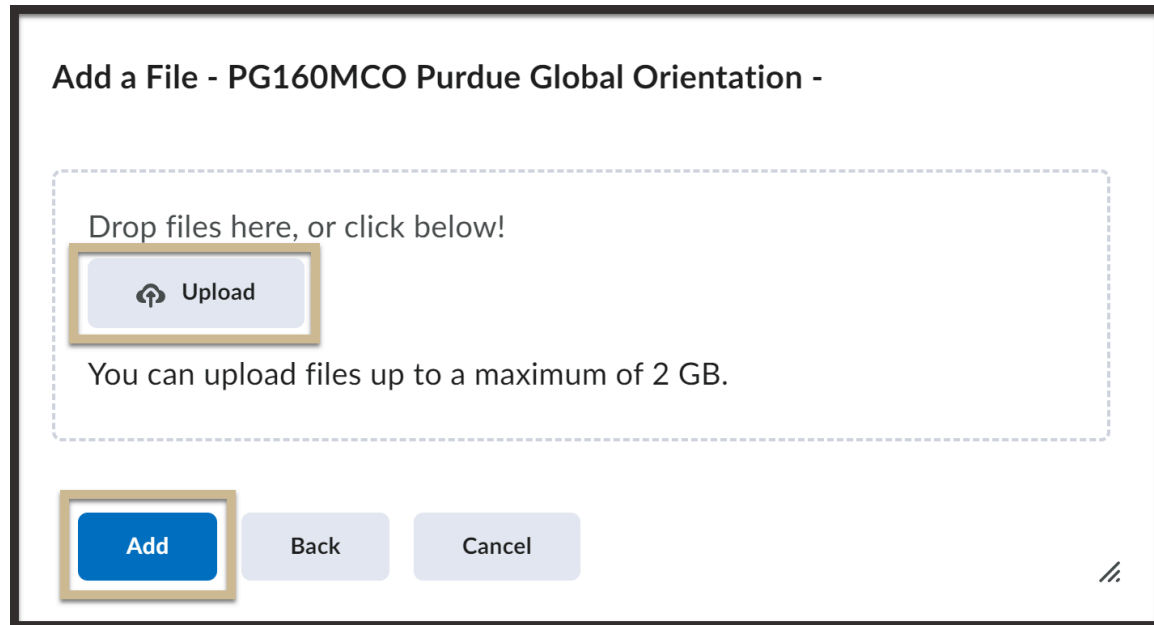

My Computer

ePortfolio

Cancel

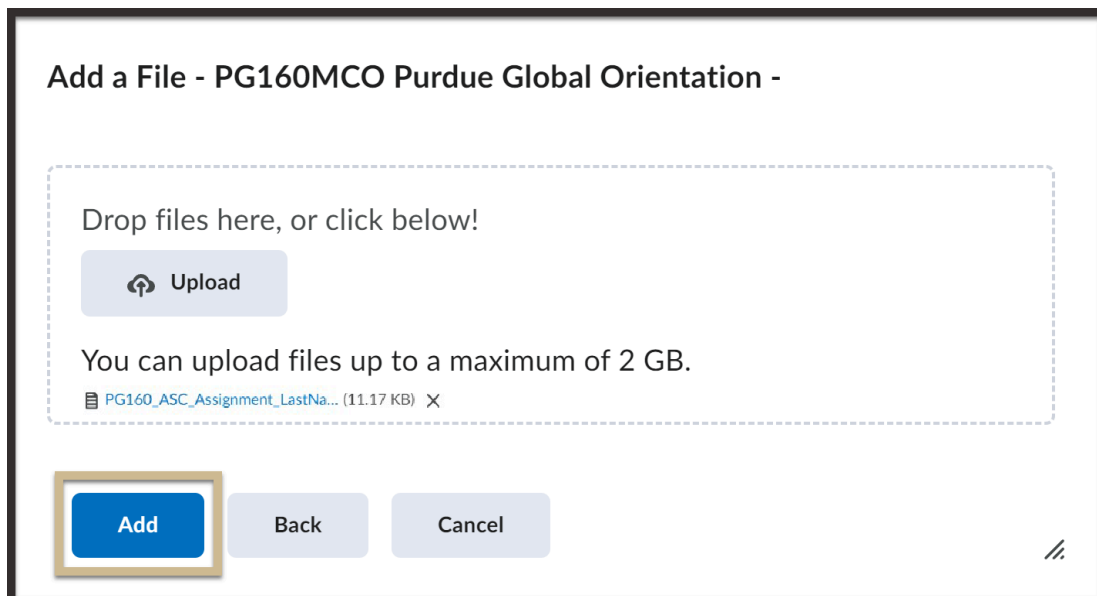

Step Five

You can drop your files or select "**Upload**" and search for the files you wish to load. Select "**Add**" to complete the process.

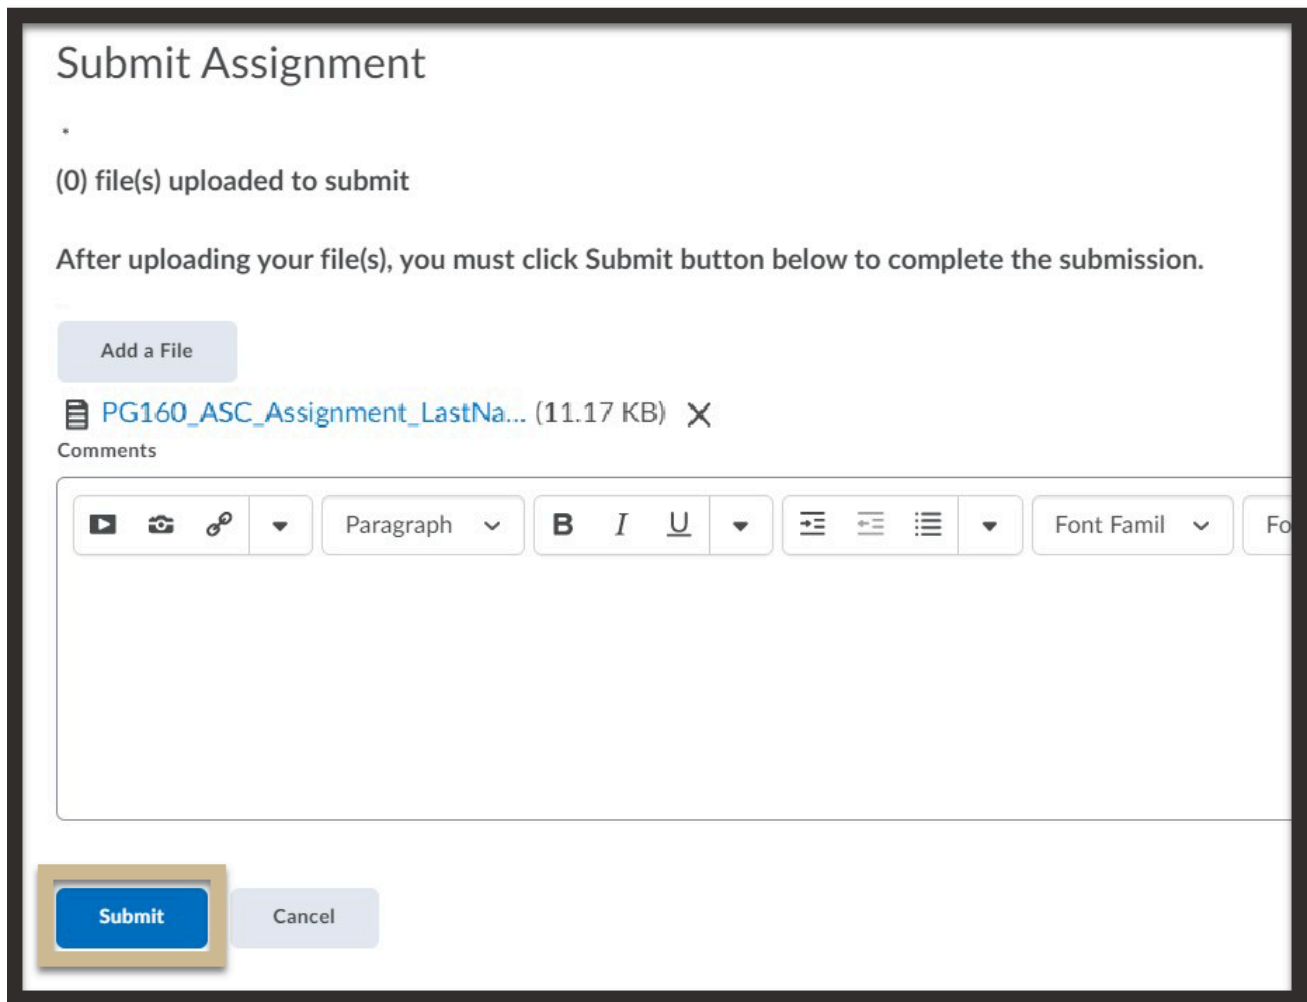

Step Six

Once you have chosen or dropped your file, add it to the Dropbox.

Step Seven

Once you have added your file, you must submit it to the Dropbox.

The screenshot shows a web interface titled "Submit Assignment". Below the title, it says "(0) file(s) uploaded to submit". A message states: "After uploading your file(s), you must click Submit button below to complete the submission." There is an "Add a File" button. Below it, a file named "PG160_ASC_Assignment_LastNa..." (11.17 KB) is listed with a close icon. A "Comments" section contains a rich text editor with a toolbar including video, image, link, paragraph, bold, italic, underline, list, and font family options. At the bottom, there are "Submit" and "Cancel" buttons. The "Submit" button is highlighted with a yellow border.

Congratulations! You have successfully loaded your first file to the Assignment Dropbox!
