

How to Use The Discussion Board

This document walks you through the basics of using the Discussion Board in a module course.

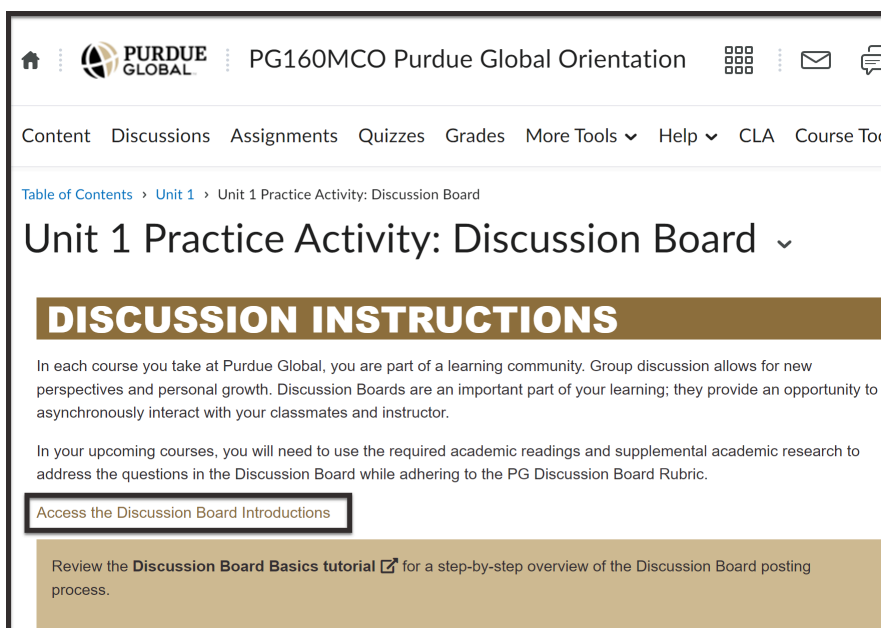

Step One: Accessing the Discussion Board

Select the unit you want to complete and select "Discussion Board."

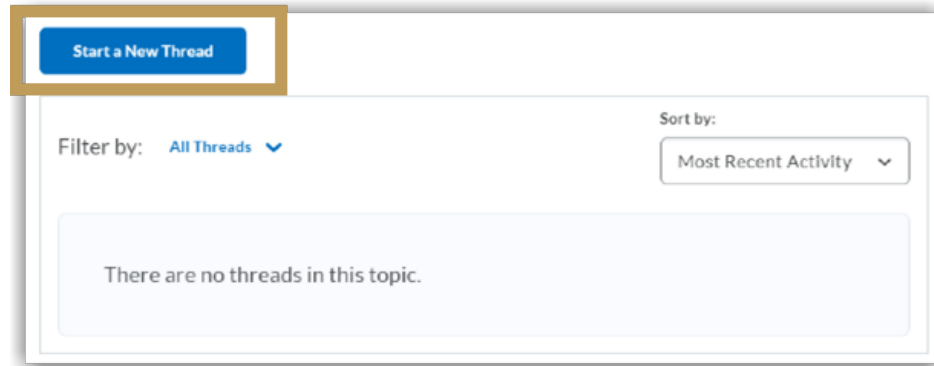

Step Two: Discussion Instructions

Select "Access the Discussion Board Introductions" from the Discussion Instructions page.

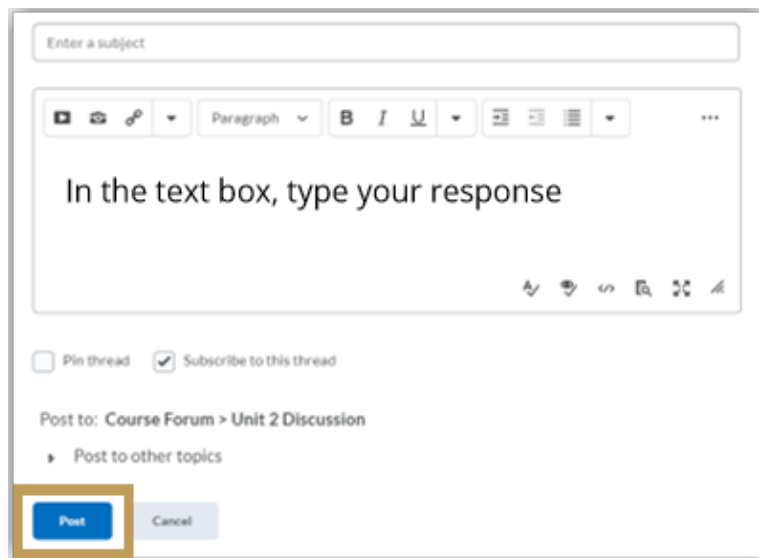

Step Three: Discussion Topic

Read the Discussion topic, and when you are ready to answer the question, select “Start a New Thread.”

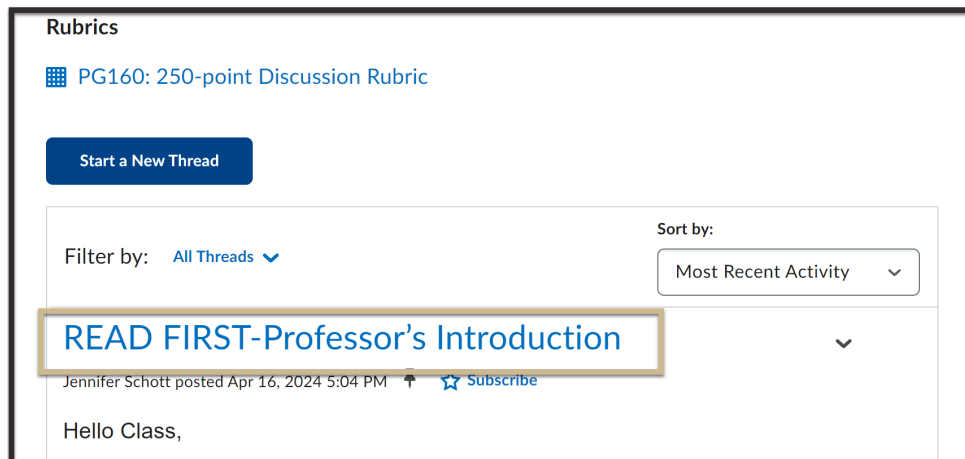

Step Four: Responding

Type your response and **check your work for correct spelling, grammar, and punctuation.** Select “post.”

Step Five: Responding to Classmates

To respond to a classmate's original post, open their post by selecting the subject line.
